PROGRAMMING – GREAT CHOICES, GREAT VALUE

DIRECTV® is one of the smartest ways to upgrade your property and set it apart

- One centralized dish serves your entire building or complex
- Higher customer satisfaction ratings than cable 11 years running
- Great programming rates, customized choices
- Bulk (discounted) Programming for Hotels, Dorms, Healthcare Facilities and other multi-unit properties
- Reduced Programming rates – Save money today
- Over 140 channels, including favorites like Discovery Channel, ESPN, CNN, HBO and SHOWTIME — plus the best local and HD channels

HARDWARE – VALUE AND RELIABILITY

We offer proven and reliable direct-to-home (receiver at TV) solutions and SMATV headend solutions (satellite master antenna TV solutions) for your property. We are a value-added reseller of commercial-grade analog and digital equipment. We offer more than just hardware, if required, we also provide our customers with expert guidance in the use of this equipment.

These solutions include:

- Single Wire Solutions (aka: MFH2 / SWM8 technology)
- Off-Air Digital, Standard Definition & High Definition SMATV Solutions
- High Definition ProIdiom SMATV Solutions (Thomson COM1000)

INSTALLATION AND SERVICE – RELIABILITY

Let our team of experts customize the solution that is right for you and your guests. We will walk you through the process and make it easy and seamless. Once installed, we are here for you with exceptional service and support.

TELEVISIONS – UPGRADE TO HD

We are a leading national distributor of HD Hospitality and Commercial Televisions, from Philips, Samsung, Panasonic, and LG. If you require ProIdiom sets, not a problem. We will be glad to provide you with competitive quotes.
