All commercial businesses holding on their business property or in any other location within the Town of Vandenbroek, an outdoor event that may exceed Noise Ordinance limits, are required to submit this application for a "Festival Permit" to the Town Clerk/Board at least 45 days prior to the event.
It is the responsibility of the applicant to make themselves aware of any and all Town Ordinances applicable to this type of event and the fines/penalties for failure to abide by those ordinances.
It is recommended that adjacent property owners within 1,200 feet of the event location be informed of the scheduled event by the event sponsor prior to submission of this permit application; giving them an opportunity to support/oppose the event at the Town Board meeting where the permit application has been listed on the meeting agenda for Discussion/Action as posted by law.
