President Jeff's Message | July 2015 | Board Meetings:

The Prez Sez:

Last week Lion VP Ed and I met with City officials at Harvey West Park, where I handed them our check for $15,000 to invest in the proposed new Santa Cruz Lions Bocci Ball Court. Work on this our first joint venture should be started this Fall, and completed before Christmas. You can view the site during our annual Family Barbeque on September 24 at the nearby Scout Hut facility. As before, members and their immediate family member get to eat for free.

We had another visitation in August, and it was a fun one. Lions Dave, Garry, Warren, Bill, Myrtle and I attended the Gilroy Lions Club annual Corn Feed; four of us played golf, and we all ate afterwards. Lion Garry bought a slew of raffle tickets, and captured the first draw....but no more. But, you still cannot win if you do not play.

We have a new Membership Chair, to replace Lion Gary Knudson who had to step back due to urgent medical issues. Lion Myrtle will lead a Committee that will push hard for new members this year. But, as Lion VP Dave reminds us, every one of us is on the "Membership Committee", so I have had some business cards printed up for each of us to hand out to the prospective members we may meet each day. Lion John has re-ordered the Lions logo coffee mugs we give to each of our program speakers. They have been well-received over the past two years, and they do promote our club. Now you can all do your own part.
