# PARENT'S AGREEMENT AND STATEMENT OF COOPERATION

## Waukesha Christian Academy

The Administration of the Waukesha Christian Academy must have the consistent cooperation of all parents or guardians of its students in order to provide the best possible Christian-Oriented Education for the child. This cooperation is fostered through this agreement, as a basis for mutual understanding in regard to (1) Articles of Faith; (2) Standards for Dress, Appearance and Conduct; (3) Discipline; (4) Scholastic Achievement; and (5) Finance.

- We, the parents (parent or guardian) of _____ declare that we are in hearty agreement with the position and procedure of the Waukesha Christian Academy as revealed in printed information relative to the FIVE AREAS OF CONCERN above:
- We agree that our child may be taught Biblically-Oriented subjects in agreement with the Articles of Faith of the Faith Baptist Church of Waukesha, Wisconsin. (Copy Available).
- We agree to submit to the printed statement of Standards For Dress, Appearance and Conduct and will provide for full compliance with this standard in each detail. Furthermore, we will willingly cooperate with the Administration and will correct a situation considered an infraction of the Standard by the Administration, as soon as possible.
- We give our permission to the Waukesha Christian Academy Staff to discipline our child in any way necessary to gain cooperation, obedience, respect, or scholastic achievement. We recognize that this may mean the issuing of demerits, work detail, staying after school, suspension, or removal from the Academy. We will abide by the decision of the Waukesha Christian Academy if our child is removed from the school. In agreeing to this, we understand that such discipline will be administered in prayerful concern, and compassion for the young person, and that we shall be made aware by personal contact when our child is severely disciplined repeatedly.
- We agree that we will give some time to our children in our home, to help them with homework assignments which may be difficult for them, for we recognize that the combined efforts of teacher and parent are needed to enable the child to achieve scholastically. We recognize the importance of training in the discipline of study.
- We agree that we will pay the Registration Fee, Book and Supply Fee and Cost of Education Pledge as outlined in the information titled, THE COST OF CHRISTIAN EDUCATION. We will seek to be prompt in all payments and will inform the Administration if and when extenuating circumstances or financial difficulties arise. *If we remove our child from the school, we understand that we have no claim for refunds of any kind.*
- We agree that if our child becomes involved in any difficulty with teachers or other children in the school, we will in no case complain to any other parent nor take upon ourselves the conflicts of others but with a prayerful Christian spirit will register only necessary complaints with the teacher, principal, or administrator.
- We understand that we will be required to pay for all damage to school property (including breakage of windows), equipment, books, etc., which has been maliciously caused by our child.
- We pledge our fullest cooperation to keep controversy of all kinds out of the school, and endeavor to support, uphold, and promote the principles and practices and educational policies of the Waukesha Christian Academy in every way. We understand that the payment of our tuition to provide for Christian Education through the Faith Baptist Church does not entitle us to a voice in making the policies of the school.
- We give our permission for our child to take part in all school activities, including sports and school-sponsored trips away from the school premises (except as specifically listed below) and we agree to relieve the school and any of its employees from any liability in connection with these activities.
