ICB Dribble-A-Thon

As the primary fundraiser for the season, athletes in the 1st & 2nd grade will collect sponsors and then dribble for 3 minutes straight. Sponsor by the dribble, or just one flat rate.

Example: I sponsor 10 cents per dribble. My son/daugher dribbles 100 times in 3 minutes. I would owe 10 dollars. I could also just give one flat rate donation for any dollar amount.

Money will need to be collected by the following Saturday's practice by the coaches. Prizes will be awarded to the athlete that collects the most money through sponsorship.
