3. Take the clearance document(s) you receive from the court to any Florida driver license or tax collector office before 04/01/2019.

If you satisfy the court's requirements on or after 04/01/2019, and this is the only issue on your driving record, you will owe a $60.00 service fee to reinstate your driving privilege. Some Florida courts will accept this payment which will reinstate your license without visiting a driver license or tax collector office (Note: all tickets must be satisfied before the $60.00 may be paid).

The Department cannot grant extensions for additional time or waive fees for any amounts due, so please resolve this matter with the court before the suspension date.
