SEEKING USHER VOLUNTEERS

The *Religious Life Committee* is busily finalizing the myriad of details required to make the 2019 High Holy Day Services meaningful and memorable for all of TBY's members and guests.

If you have attended our services in the past, we're sure that you appreciate the dedicated and professional service our volunteer ushers provide.

The duties of our ushers are to guide members to their reserved seats; to help find seating for the general membership and guests; and to keep everyone safe and comfortable before, during and after the services. They distribute and collect prayer books and special handouts, check for tickets, monitor the noise level, and answer questions about exits, restroom facilities, daycare, etc.

We need new volunteers! You may volunteer for only one service, a few, or all.

We have benefitted from a consistent group of volunteers for many years. Their service is much appreciated, and we are hopeful of their return again this year. **We'd also benefit from a core of new volunteers.** This is a very easy way of giving back to the Temple. Ushers are given reserved seats, and most of the ushers may be seated with their families about a half hour after the service begins. Towards the end of the service, ushers should be ready to assist in book collection and exiting crowd control. **Won't you please help?**

Please email your availability to:
