Dance Recital Costume & Accessory Information

Costumes are arriving now through the end of May. When your child's costume arrives we will try it on to make sure it fits. It is up to you to try the costume on at home, immediately, when you receive it, to make sure it is the right fit. If there is a **major problem** we need to know in 24 hours so we can contact the manufacturer to see if we can get another one. These are **not** custom costumes and only come in small, medium and large. The costume might need a slight adjustment that you can do yourself or come to our "Recital Expo" in May to have minor adjustment made at $2 per costume. Here are the following tights, shoes and hair style your child will need for the show. The list is based on their age and type of class.
