ORDER

The defendant has asked the court to reconsider Administrative Order No. 2,[1] which was entered on March 13, 2017.[2]

The court held a hearing on February 17, 2017, to consider the parties' contentions regarding the form of notice to the defendant class. Administrative Order No. 2 accurately incorporates the court's rulings and suggestions. The court has carefully considered the contentions set forth in the motion for reconsideration, and has determined them to be without merit. Accordingly, the motion for reconsideration is denied.

IT IS SO ORDERED this 29th day of March, 2017.

Ronald B. Rubin, Judge
