*When Alexander died the kingdom was split between his 4 generals. The Seleucid (North) kings and Ptolemaic (South) kings became prominent. Dan.11:1-20 Antiochus IV Epiphanes (1 Maccabees), a Seleuecid king was a foreshadowing of antichrist (prophetic vision in Dan. 11: 21-35) who in 168 BC tried to destroy Judaism by burning their scriptures, books of laws, Hellenizing the Jews and killing those who continued in their religion until the Maccabees revolted.

Head 4 of Dan. 7:23-24 **Roman Empire** (deadly wound received in 476 AD) was the 1st of the 7 headed beast seen by John in Rev. 17:3 The Pagan Roman Empire was restored (healed in 554 AD) as Christian Rome **(Holy Roman Empire)**

Head 4 of Daniels beast (Rome) conquered and absorbed Heads 1 - 3 and received their combined characteristics plus having the strength of iron.

John sees Daniel's 4th beast only (Psuedo Christian Rome) that now includes Daniel's beasts 1-3 (leapord, bear and lion) & their traits by absorbtion into Pagan Roman Empire. Rev.13 beast has 7 new heads with 10 horns.
(The 7th head and 10th horn of Rev. 13 beast will also be a future 8th beast with 10 future horns.)

Constantine I envoked the Nicene council in 325 AD to settle Christian church doctrine. Nicene Christianity became the Roman Empire's official state church and religion with the Edict of Thessalonica in 380 AD by Emperor Theodosius I

The Transition Age of Rome: 455 AD to 554 AD
During this period the last pagan Roman Emperors in Italy were ruled only as puppets of the Vandals and Herulli kings.
The Deadly Wound on Daniel's 4th beast's Head was received* when Pagan Rome was conquered by Herulli King Odoacer in 476 AD. The last Roman Emperor, Romulus Augustus the boy emperor, was deposed and sent into exile and this is considered by historians to be the end of the Roman Empire.

Arian and Monophysite**** Christianity persisted in Italy until three heretical Christian barbarian kings (horns) were overthrown (subdued Dan. 4:24)
or (plucked up by the roots. Dan 7: 8)
The Vandals under Genseric, the Herulli under Odoacer the Ostrogoths under Theodoric.

The Deadly Wound of Pagan Rome Received in 476 AD

Popes reigned over Rome and Europe's Holy Roman Emperors and Kings.

Vigilius is made Pope. Papal Supremency begins and non-Catholic persecution increases. The **Deadly Wound on Daniel's 4th beast's head is healed** by the restoration of Rome under Justinian 1 when General Belisarius takes Rome in 538 AD and most of Italy in 554 AD.
The 2 Roman capitals: East (Constantinople) & West (Rome) are joined by Justinian 1, Emperor of the East under his rule.

The False Prophet of Rev 19:20 and the Little Horn of Dan 7: 8 is the succession of Popes. The 2 horned beast of Rev 13:11-18 has horns like a lamb (biblical symbol for Christ) and speaks like a dragon (biblical symbal for Satan). It has the appearance of a Christian church but Satan is in its heart (see Matt.15:11 & Mark 7:15). The image of the beast is the **Roman** Catholic Church government with its civil/political hom and its religious hom made in the likeness of the Pagan **Roman** Government. This prophecied Little Horn speaks through the church govt. with his declarations, supposedly infallible words and papal bulls and causes the people of the world to commit idolatry by worshipping the image of the beast (**Roman** Catholic Church Government) and to take the symbolic mark (**Roman** Catholic Babylonian doctrine) or number of the beast's name, **Rome** (in numerology **ROMAN = 666,** "the number of a man" Rev.13:18) on their right hand (work & actions) or on their forehead (belief & thought) or face persecution to death at the hand of the kings and their armies who give their allegience to him. Revelation 13: 11-18 As before during the Holy **Roman** Empire's reign the beast **(Rome)** will enforce **Roman** Catholic Sunday rest & Worship and doctrine only to be observed. The "Venerable Day of the Sun" was first proclaimed the official Roman lawful day of rest by Constantine the Emperor in 321 AD. Later at the Church Council of Laodicea (364 AD) the church outlawed resting or Judaizing (observing God's 4th commandment) on the 7th Day Sabbath established by God when He sanctified it and declared it to be a sign. See Gen. 2: 2-3. Deut.5: 12-14, Ex 31: 17, Ez 20:12. See instructions for God's law in Deut.6: 8-9 & Mark 10: 17-27

Man of Sin revealed, 2 Thes 2: 3-4 Papacy regains power over a European union & causes all to take the mark (Roman Catholic Babylonian doctrine) of the Beast or die. God's two Witnesses Prophesy Rev. 11 "Come out of her" Rev. 18:4 Later the kings (10 horn alliance) who hate the Harlot (Babylonian Christian church govt.) expose and destroy her with fire. Matt 3:12 & Rev 16:15-18

Time of The Great Tribulation for True Christians & Jews followed by heavenly signs, 7 last Plagues on those with the mark of the beast or worship his image, the sign of Christ's coming and His return.

A little horn (Religious Govt. Kingdom) with eyes like a man (Papacy) comes up among the 10 horns and plucks up the first 3 horns. It speaks pompous words against God, persecutes the saints of God & changes times and laws. Then the saints shall be given into his hand. Dan. 7:8-25 During the1260 years reign of the Holy Roman Empire millions of non-Roman Catholic Christians and others were killed at the hands of the Popes by crusades, inquisitions and genocides. Translating, having or reading from the bible was forbidden and punishable by death. See the historical lives of John Wyclif, William Tyndale, the Huguenots, the Waldenses and other martyrs. The future 7th head of the beast will revive these atrocities under the last Pope when the papacy regains civil/political power during the coming tribulation of non-Roman Catholic Christians and Jews.

** Some Historicists hold that the last half (3 1/2 years) of the 70th week of Daniel will not occur until Christ returns converting the Jewish people leaving a huge time gap before the completion of the prophecy.
** Some Futurists hold that the last half (3 1/2 years) of the 70th week will not occur until the antichrist (little horn) reigns at the end of the age for that period of time (leaving a long time gap in the prophecy) and is defeated by Christ when He returns.
** Some Futurists hold that the last full week (7 years) of the 70th week will not occur until the antichrist (little horn) reigns at the end of the age for the last half of that week (3 1/2 Years, leaving a long time gap in the prophecy) and is defeated by Christ when He returns.
*** Some Historicists hold that the 1260 year reign of the Papacy over the Holy Roman Empire was from 538 AD to 1798 AD. See the events occuring on those dates above.
*** Some Historicists hold that the deadly wound was in 1798 when the Pope was imprisoned and the healing will be when Protestants return to the Roman Catholic Church and it rules Europe once again during the tribulation.
