QUALIFYING:

- 1) Qualifying fees are \$3.00 per sheet. Fees ***must be paid*** before the darter begins any qualifying attempt(s).
- 2) ***All sheets paid for are non-refundable and non-transferable. No credit will be extended.***
- 3) ***A maximum of 3 sheets per person can be purchased at a time and thrown.*** Additional sheets can be purchased upon the completion of the previous 3 sheets either by qualifying attempt or forfeiture/incomplete sheet (D.N.F.).
- 4) ***BOGO night only 3 sheets can be thrown at a time. Free sheets will be put in a separate stack; this is to give other qualifiers their time at the boards.***
- 5) ***Men*** - Each attempt consists of 3 games of ***301 double in, double out***
- 6) ***Women*** - Each attempt consists of 3 games of ***301 straight in, double out***
- 7) You will be shooting for the lowest number of darts to complete a total for 3 games
- 8) The qualifying score used for determining the All*Star team is the ***SUM*** of 3 games total for a given qualifying attempt. A game from a different score sheet may not be used to calculate the qualifying score.

- 9) Once a darters name has been call to a board, you will have a 5-minute (max) wait time to be at the board.
- 10) If a darter is not present at the board by the 5-minute (max) wait time, the qualifier sheet will be placed at the bottom of the stack.
- 11) The darter may warm up **9 darts max** (*on the game board*) before starting each game of a qualifying attempt. The darter must inform the scorekeeper when they are ready to begin each game prior to throwing the first dart of that game.
- 12) Once the first game has begun, all three games *must be completed* without a break.
- 13) All games will be chalked by DDA board members and/or All*Star Committee Members. Scores must be verified by scorekeeper before darts are pulled from the board. If there is no verification, the scorekeeper will list that round as a zero (0) score and 3 thrown darts.
- 14) Each leg of a qualifier consists of 30 (*max out*) thrown darts or less for a given leg. Once a leg starts, all darts thrown count in succession as the 30 (*max out*) thrown darts or less for a given leg.

Example: Game 1)			<u>22</u>		<u>22</u>
	# darts thrown			Max out (30)	Game 1 total
Game 2)	<u>17</u>				<u>17</u>
	# darts thrown			Max out (30)	Game 2 total
Game 3)	<u>30</u>		<u>30</u>		<u>30</u>
	# darts thrown			Max out (30)	Game 3 total
Total of 3 games:			<u>69</u>		

- 15) The sum of all thrown darts counts as the score for a given leg.
- 16) All bounce-outs or robin-hoods are counted as darts thrown and **cannot be re-thrown**.
- 17) A "bust" on dart one or two will be scored as three darts. Dart(s) are pulled and next round begins.
- 18) If someone gives up during a qualifying attempt, that leg and therefore the entire attempt is unfinished and **may not be resumed** later. The score sheet will be marked D.N.F. for the leg and the overall qualifying score will be recorded as a D.N.F. (Did Not Finish).
- 19) **Ties** ...Upon the final night of Qualifiers To determine the All Star Team...On all tied qualifier sheets the lowest score in a leg of thrown darts out of your 3 game total will be used.

Example: 2 darters have the same low score of 54
