TA' DBIEGI CRAFTS VILLAGE

The Ta' Dbiegi Crafts Village is the oldest Crafts Village on the island of Gozo and is located within the tranquil village of Gharb. Set at the foot of Gozo's natural highest point, historically, serving as soldiers' quarters for the British military service during WWII, the Ta' Dbiegi Crafts Village is spread over an area of more than 6,500sqm of lush gardens. It now boasts high quality craftsmanship which can be enjoyed on a daily basis and is a must for those seeking quality products manufactured on site by highly qualified artisans. It offers a unique opportunity to observe the artisan at work, catering also for tailor-made products (metal, pottery, local delicacies, candles, leather and glass), as well as lace, silver filigree, woollens, and art at affordable factory prices. The Village also hosts amenities such as acess to Wi-Fi and a Cafeteria. Surely an Experience not to be missed!
