Center for Disaster Mental Health

<u>Mission:</u> The Center for Disaster Mental Health will develop, promote and apply mental health instruction, training and services in disasters.

1. Minutes: 1 February 2016

2. Attendees: Christina Conover, Jill Neitzel, Mark Hubner, Ken Johnson, Terry Correll, Frank Maher, Cindy Mockabee, Steve Jez, Larry Cleek, Steve Wetterhan, Mark Curtis

3. Welcome: Introductions were completed.

4. Review of Minutes: The meeting notes from 6 January 2016 were reviewed and approved.

5. Standing Business:
   a. Review of Agencies:
      1) Wright State School of Nursing is conducting the National Disaster Health Consortium Class April 11-15, 2016
      2) Hospice has joined in a partnership with SouthEast and Central Ohio Hospices to form Ohio's Hospice. The official title for Dayton is now "Ohio's Hospice of Dayton".
      3) Innovative Care Solutions is developing a Palliative Care Team Outpatient Clinic Model to help with the psychological approach to terminal illnesses working in conjunction with the medical aspects of care.
      4) GDAHA is helping plan the May 2016 Pandemic Flu exercise. Please email any mental health scenario suggestions to cdmh@gdaha.org
      5) The American Red Cross will be conducting psychological first aid and mental health fundamentals classes in conjunction with the Cincinnati area.
      6) Clark County held a Community Health Assessment meeting and is working with local mental health organizations.
      7) Public Health Dayton and Montgomery County explained the statewide Medical Reserve Corps (MRC) organizations and discussed their local Community Reception Center training and potential grants to continue MRC activities.

b. Symposium Review:

1) Andrea has reserved the Berry Center at Miami Valley Hospital again for the CDMH 2016 conference. General topics and potential speakers were discussed. Ideas on the focus of the conference considered 1) First Responders, 2) Professionals, and 3) Planners. Christina noted a past speaker, Dr Larry James has published a book on "Weapons of Mass Psychological Destruction". Detailed planning will begin in April 2016.

c. County Coalition Outreach: A West Central Region Mental Health Sub-Committee will be held on 25 February 2016 at GDAHA at 1 PM. This meeting will investigate the mental health resources available in the community and improve planning for emergency responses. CDMH members were encouraged to attend.

d. Website: www.DisasterMentalHealth.org. Although registration for the fall conference is not open yet, the conference registration page now has an input screen which will allow visitors to send questions regarding the conference to cdmh@gdaha.org. Please send any suggestions for the website to cdmh@gdaha.org.

e. 2016 CDMH Goals:

- "Expanding our Coalition with Community Partners"
- "Conducting our 4th Annual Mental Health Symposium"
- "Support to County Emergency Response Planning Leaders"

1) Discussion involved identifying the customers where CDMH should focus the majority of their efforts. For a needs assessment at the next meeting, a listing of Mental Health resources in the region will be reviewed along with the Emergency Support Functions (ESF) that identify emergency planning components. Ken pointed out that ESF 6 and 8 cover Red Cross, Public Health and Medical planning. CDMH already attends the monthly Hospital Domestic Preparedness committee, and that will also be considered.

2) Coalition building activities where CDMH members participate include the West Central Mental Health Sub-committee, a meeting planned with West Central Ohio Emergency Managers, the Hospital Domestic Preparedness Monthly meeting and the Regional Medical Response System Meeting that met in January.

3) Potentially adding 1) First Responders, 2) Professionals, and 3) Planners to the CDMH 2016 goal concept was discussed. Sample graphic ideas are attached.

6. New Business:

a. Mark Curtis is near his two year point as co-chair. A new co-chair will be identified early in 2016.

7. Next Meeting: Monday, 7 March 2016 at 3:00 PM at GDAHA.

2 atch:

1. ESF List
2. Regional Mental Health Resources
3. Sample Graphics 2016 Goals

Attachment 1: Emergency Support Functions

Scope
ESF #1 – Transportation
Aviation/airspace management and control
Transportation safety
Restoration/recovery of transportation infrastructure
Movement restrictions
Damage and impact assessment

ESF #2 – Communications
Coordination with telecommunications and information technology industries
Restoration and repair of telecommunications infrastructure
Protection, restoration, and sustainment of national cyber and information technology resources
Oversight of communications within the Federal incident management and response structures

ESF #3 – Public Works and Engineering
Infrastructure protection and emergency repair
Infrastructure restoration
Engineering services and construction management
Emergency contracting support for life-saving and life-sustaining services

ESF #4 – Firefighting
Coordination of Federal firefighting activities
Support to wildland, rural, and urban firefighting operations
January 2008 ESF Annexes Introduction ESF-i

ESF #5 – Emergency Management
Coordination of incident management and response efforts
Issuance of mission assignments
Resource and human capital
Incident action planning
Financial management

ESF #6 – Mass Care, Emergency Assistance, Housing, and Human Services
Mass care
Emergency assistance
Disaster housing

Human services

ESF #7 – Logistics Management and Resource Support
Comprehensive, national incident logistics planning, management, and sustainment capability
Resource support (facility space, office equipment and supplies, contracting services, etc.)

ESF #8 – Public Health and Medical Services
Public health
Medical
Mental health services
Mass fatality management

ESF #9 – Search and Rescue
Life-saving assistance
Search and rescue operations

ESF #10 – Oil and Hazardous Materials Response
Oil and hazardous materials (chemical, biological, radiological, etc.) response
Environmental short- and long-term cleanup

ESF #11 – Agriculture and Natural Resources
Nutrition assistance
Animal and plant disease and pest response
Food safety and security
Natural and cultural resources and historic properties protection and restoration
Safety and well-being of household pets

ESF #12 – Energy
Energy infrastructure assessment, repair, and restoration
Energy industry utilities coordination
Energy forecast

ESF #13 – Public Safety and Security
Facility and resource security
Security planning and technical resource assistance
Public safety and security support
Support to access, traffic, and crowd control

ESF #14 – Long-Term Community Recovery

Social and economic community impact assessment
Long-term community recovery assistance to States, local governments, and the private sector
Analysis and review of mitigation program implementation

ESF #15 – External Affairs
Emergency public information and protective action guidance
Media and community relations
Congressional and international affairs
