THE PERSON IN THE ARENA
"The credit belongs to the person who is actually in the arena, whose face is marred with sweat and dust and blood; who strives valiantly; who errs and comes short again and again, who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who, if he wins, knows the triumphs of high achievement; and who, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat." Each of us was the person in the arena, for all you did in support of me and our ideals, I am forever grateful.
Thank you, Dusty
