TRIBULATION PERIOD 2025-2032 TIMELINE?

BASED ON THE ESSENE SABBATICAL 7-YEAR CYCLE OF TIME

The purpose of this illustration is to show the possible timeline of the duration of the Biblical Tribulation Period of 7-years. The next approximate timeline is from 2025-2032. Could this be then the day of the Return of Jesus? If so, the timeline will reverse engineer the timeline from that Date. And some amazing correspondences do occur with the 2 segments of 1260 days. If such a timeline is plausible. This then means that the Rapture, could occur before the end of 2025. If 2025 is the possible start of the Tribulation Period, it does not preclude the Rapture event from occurring beforehand. Realize that it is the Daily Sacrifice offering is what initiates the 1260 +1260 day segments that make up the 7-year Sabbatical Cycle or Daniel's Week of Years. There could be then a gap of time, enough to set in place the New World Order and construct the 3rd Temple in Jerusalem.

This Timeline is also based on one's Notion that it is from 1952 that the 70 Year Start Date should be counted from. This is because it was the Year that corresponded to the Land Sabbaths that got Israel Ejected from the promised Land for not keeping the Land Sabbaths and letting it Rest, in the 1st Place. If this be the case, then following is very Interesting to consider.

2520 DAYS — TIME OF JACOB'S

(3.5 Years) or ~42 Months of 30 Days each

*1952 + 70 Years = **2022 + 3.5** = **2025.5***

And here is one's Observation of where the 3.5 or 1260 Day Counts could be Accounted for. This 3.5 Year 'Gap' of Time from 2023, would then lead to sometime, well into 2025. And again, this 2025 is what others have suggested could very well be the Start of the Tribulation Period. One is not saying one is right but consider that this 2025 Start Year would then have 2032, when the Tribulation Period Ends with Jesus' Return. It would also Corroborate with the 32 AD Year as being the more Accurate Calculation of Jesus' Death and the Start of the Church Age. So, why the Year 2025 is perhaps Significant is that it is derived from Subtracting the 7 Years from the Year 2032.
