THE GOG-MAGOG WORLD WAR I

What is very prophetically significant about this *Gog-Magog War I* is that it is the only war since the exile of Israel in 70 AD that the GOD of Israel, YHVH will directly intervene on Israel's behalf. If one looks closely at the 38 and 39 chapters of Ezekiel, it becomes very clear that this war would occur in the *Last Days* as verse 8 of chapter 38 states. It is clear that YHVH decisively interjects this defense completely and unconditionally on behalf of Israel, His People whom YHVH calls for the 1st time since 70 AD. At no other time in Israel's history since 1948 has this occurred, especially since Israel being 'reborn' in a day as Isaiah foretold. In verse 9 of Ezekiel 38, it states clearly that the modern nation of Israel, YHVH calls 'His People'. It is what the reality now, the State of Israel is. This is huge prophetically as at no other time has YHVH addressed Israel directly since Jesus. Why? In one aspect, it is because of the *Church Age* 'intermission'. YHVH's Spiritual People, is whom He could only say that to presently, 'My People'. It is the *Church Body* comprising the *Bride of Christ*, etc. Once the *Bride of Christ* will be extracted or raptured, YHVH's business and directives will turn to His 'wayward wife' Israel that was divorced but will lure her back as Jeremiah foretells.

What is also amazing to consider is the glimpse of how all the bodies of the dead of such armies will be buried in the *Valley of Hamon Gog*. it will be on the east side of the *Jordan River*, what is now the country of Jordan. However, YHVH states that it will be still in 'Israel'. Perhaps this validates the notion that after the *Psalm 83 War*, Israel's victory extended is land acquisition to all of Jordan, etc. It will take 7 months to bury all the dead of the *Gog-Magog* Muslim invasion of Israel.

Foremost, this *Gog-Magog War I* is against YHVH and His *Land* whom He declares and claims in verse 14 of chapter 38 of Ezekiel. YHVH also validates the *Diaspora* in that the various peoples that make up modern Israel is 'Israel' of the Bible constitute a multitude of nationalities from almost every major nation on Earth in the racial mix. The 'Fig Tree' has matured in this 70-year generation per Psalm 90. The verse goes on to exclaim that this 'Israel' is modern day Israel in a land that has been recovered by wars. It is as if YHVH validates all the prior wars since 1948. No other nation or peoples can fit this *End Times* scenario. It becomes prophetically clear that it is the opinion of this GOD YHVH that declares that the *Promised Land* has been occupied, not by Israel, but by her Muslim enemies.

Most do not realize that in the Quran, it states that 'God' granted the *Promised Land* of Israel to the *Children of Israel* and ordered them to settle therein (Quran, Sura 5:21). It also emphatically and clearly states also that before the *Last Day*, 'God' will bring the *Children of Israel* to retake and repossession their Land. 'God' would gather them from all the different countries and nations (Quran, Sura 17:104). YHVH acknowledges that He brought them out from the *Nations* in verse 14 of chapter 38 of Ezekiel to resettled ruins, etc. Yet, most Muslims who abides by the Quran oppose the existence of the State of Israel. Such are in denial as they are opposing the *Divine Decree*. It is the same denial of the Semites, both Jewish and Muslim. The Jews resented having the Gentiles be grafted-in the same *Covenants* and *Promises* of YHVH. Then one has the denial of the Muslims recognizing that the Jews will need to have their land back that they clearly know is being occupied by them, temporarily as their Quran clearly states.

YHVH Himself shows that He alone is GOD and the Sovereign over the Earth, its land and people. Moreover, He is to show the *Nations* and Israel that He is faithful to His *Covenant* and *Promise*, not like the AntiChrist who will break them at the midpoint of the *Tribulation Period*, whenever that is. Chapter 39 of Ezekiel goes on to declare that from that point on, YHVH will make Himself known.

What is also rather interesting is to note that the entities that will constitute the *Gog-Magog War I* nations all comprise the 3 main racial groups that came out of Noah after the Flood. These are descendants of Japheth, Shem and Ham, essentially the entire 'Nations' of the world, etc. following are the *Outer-Ring* Muslim nations that do not border Israel but will constitute the *Gog-Magog War I*.

1. Gog:	*Russian Federation*	*Japheth*
2. Gomer	*Turkey*	
3. Beth Togarmah	*European Union countries*	
4. Persia	*Iran*	*Shem*
5. Many Nations	*Central Asian Muslim Republics*	
6. Cush	*Sudan-Ethiopia*	*Ham*
