This week will be our final week to collect for Hurricane Relief. We appreciate all contributions thus far. At the present time we have collected approximately $275. We are $225 away from our first goal of $500 in which all children will receive a special treat. Our 2nd goal is $800 for free dress for all and our final goal is $1000 for a water balloon toss at a faculty member.

School nurses will be on site Friday, October 20, to check the children's vision and hearing. They will also be verifying current immunization status on file. If updates are necessary, please submit the info to the office.

SATURDAY, OCTOBER 21 – All School Mass, 5:30 p.m., SCM. Please join us for our monthly participation in our parish Mass.

We will celebrate Red Ribbon Week on Monday, October 23. Daily activities are listed on the attached flyer.

We will also be making Christmas cards for our servicemen overseas as an additional monthly service project this month.

Just a Reminder: Do not park immediately beyond drop off zone. It is necessary to have access to entrance and exit areas. Thank you.
