Summer Camp
During COVID-19

While some see challenges during this unprecedented time, we see opportunities for new and innovative ways to reach our membership. Therefore, due to the current Covid-19 pandemic, until further notice, all chapter activities will be offered virtually. Our primary concern is the safety and health of our membership!

Be well and we hope to get together again at some point in the not too distant future.

June's Calendar of Activities
July's Calendar of Activities
August's Calendar of Activities

You'll find the list of activities, activity leaders as well as days and times. Camp is free to members, but you must contact the activity leader if you are interested in an activity. Once registered, you will receive a Zoom invitation.

Note: all times are Arizona time.
