

Hello my name is Ms. Rhonda I was born and raised in Ft. Morgan, CO. I have been working in early childhood education for over 38 years now, 22 of those years are as a preschool teacher. I am certified as an Early Childhood Educator, and I have my Director's Certification. Working with preschool age students through the years has enhanced my passion for knowledge. I love working with my students and sharing the knowledge I have learned with them. It is through this connection that I have formed a bond with the students and their families that create that special connection. On a personal note, I am proud mom of two beautiful daughters Kyrie` and Kylee. In my free time I enjoy spending time with my family, going to flea markets, doing anything crafty and making farmhouse decorations. I enjoy spending every moment with the children who come into my life, knowing I make a difference in a child's life.
