

**Victoria Hughes**  
Office Staff, Camp Teacher

Victoria grew up on the farm that has now become Heritage Creek Farm Camp. As a child she spent much time playing in the creek and exploring the wooded area of the farm with her friends. She attended the Susquehanna Waldorf School from K-8 which instilled a love of learning and developed her artistic and inquisitive nature. She graduated this spring from the University of Pittsburgh with a degree in Political Science and Sociology with a minor in French.

Victoria grew up with exchange students living in her house and keeps in touch with her many siblings all over Eurasia and Brazil. She enjoys traveling and learning about different cultures. Victoria had the opportunity to visit various European countries while studying abroad for a college semester in Aix en Providence, France.

She looks forward to working side by side with her lifelong friend Dakota Lehman this summer to guide the camp experience for our tweens ages 9-12. She will also be helping with administrative tasks in the camp office.
