

MERRY CHRISTMAS

Once again, we are about to begin a wonderful season of Christmas joy. Every year we gather as a family, near and far, to celebrate the love that flows from the hearts of each and every member of our family. Christmas for each of us is a “Holy Day”, a day of surprises, a day of memorable family traditions, a day of thoughtful and gracious generosity, a day of promise which God bestows on each of us through the birth of his Son, Jesus.

As we plan for this Christmas, I would like to take the time to extend all the blessings and joys of this Christmas season upon you and your family. As your pastor, along with the members of our parish staff, Christmas is the perfect time to express our gratitude for all that you do in our parish community. In many ways, you are very much a part of our living tradition. The times have changed. There are some new names and faces which are always a welcome addition. But the spirit and power of our mission – “Faith in God and Service to his People,” will always be the same.

I can’t begin to tell you how many people, new parishioners and visitors, have often commented on the warmth and vitality that you bring to our parish community in your hospitality and your gracious presence. You are a blessing to our family.

May god bless and keep you well in this season of love and joy and in the new year ahead.
