

WHAT'S BEEN HAPPENING

FUNDRAISING!

We had a great fall fundraiser where we raised \$4,500 towards ADA compliant playground equipment. This is a HUGE project that will take multiple fundraisers to achieve. Currently, MCS, MCS PTA and parents are working towards an exact plan and budget as well as grants for this to happen. In the meantime, we need FUNDRAISING IDEAS! If you have an idea for a fundraiser you'd like to see happen in our school, please contact Stephanie Boysen at fordgal02@hotmail.com.

Christmas Store

Christmas Store had another very successful year of delighted, shopping children searching for the perfect gift for members of their family. Moving locations to the main gym gave more breathing room and easier access to all. Thank you to all the PTA volunteers. We'd also like to send a big shout out to Mrs. Miedtke's Acts of Kindness volunteer students! They were a huge help for yet another PTA sponsored event.

Missoula Children's Theater

Your MCS PTA is sponsoring the Missoula Children's Theater program from Feb 26 – March 3. We are in our 4th year of having this incredible theater program available to our students. This year the play is ROBIN HOOD! All students are invited to try out for the play. Look for more information in the coming weeks!

Helena Kidsports Gym Night

In November we had three open gym nights hosted by Helena Kidsports. This was part of a purchase agreement your MCS PTA had for the sale of our rock climbing wall. The gym nights were loads of fun for the students. Everyone came home happy and sweaty. Thank you to Kyla Uribe for organizing the nights and to all the kids who participated.

Membership and Directory

We currently have 169 PTA members! Our school directories are out! All PTA members receive a directory as part of the membership price. If you are not a member, you can purchase one from Mrs. Price at \$5/directory.

February PTA Meeting

MCS Superintendent Tony Kloker will be addressing the PTA next month regarding our school budget and the impacts of the recent legislature decisions. It will be very informative, so I hope as many people as possible can attend.

Mustang Wear

Here is the link to purchase your MCS Mustang Apparel! <https://kb-embroidery-llc.tuosystems.com/stores/kb-embroidery-llc-oct10-201937>
Contact Colette Summers at kbembroidery1@outlook.com with any questions.
