# Falling into Fun in 2021

We're so glad to see so many happy, smiling faces this year! We have so many things in store for the season and we can't wait to get started sharing them all with you!! Please remember to have your dancer wear dance clothes and the proper shoes for class (please initial his/her shoes). Check your email regularly for updates, event dates, etc. Please follow our FB page as we will regularly post updates, special events and dates to remember. Our website [www.susiesacademy.com](http://www.susiesacademy.com) will stay up to date as well! Use all of our tools to stay in the know!

## Things to Remember

Your tuition has been divided by the number of classes for the dance season taking into account the holidays posted on our website. Tuition is due the 1st of the month and is late by the 15th. We recommend paying electronically by your bank's Billpay or by Paypal (the direct link is on our website). If using Paypal, please select "Friends and Family." Remember that fees will be added to monthly tuition if "Friends and Family" is not chosen.
