

Timeline of Events Tentative for the 2018 Wiener Race

October 6, 2018

THERE IS NO SAME DAY REGISTRATION FOR DOXIES

NOTE: The schedule below is tentative and will be adjusted based on the overall number of registrants in each age category. Also, getting doxies lined up and to & from the starting area can also impact the schedule.

Announcements will be made throughout the day to keep attendees and participants up to date.

9:30 Check-in Begins – All pre-registered doxies and their humans can begin to check-in at 9:30am. At that time, doxies will be given their competition credentials and additional race details.

11:00 First Race Heat – PUPPIES!

Since puppies are usually the least experienced of the wiener race participants and haven't quite bulked up to full race weight; they run on a shorter track length so they race first.

11:15 Second Race Heat – SENIORS!

Seniors also run on the shorter track length so they race second; we don't want to wear them out!

11:30 Third Race Heat – JUNIORS!

Usually the largest groups so we start these races with this group excitedly ready to go!

12:00 – Fourth Race Heat – ADULTS!

Usually the most seasoned of the bunch, adult doxies are usually ready to step up when called and show off their stuff; that's why we save them for last!

12:30 – 12:45 – CUTEST CONTEST

Beauty pageant begins with doxie cuteness galore!

12:45 – 1:00 – BEST DRESSED

Doxies strut their stuff to show off their high fashion sense!

1:00'ish – PRESENTATION OF AWARDS

Race division awards and trophies announced and handed out to winners.

1:15'ish – RAFFLE PRIZE CONTEST

Raffle prize numbers will be called out in between races and throughout the event. However, the last of the prize numbers will be announced after the presentation of awards.

For all raffle prizes; you must be present to win and when your number is called; please let the announcer know you are the lucky winner. Winner will then be directed to the raffle prize tent to choose their prize.

Choosing your prize is on a "first come, first served" basis. Buying more tickets obviously increases your chance to win and also helps the overall event and donation to Lake Norman Humane.

1:30 – 1:45'ish – 50/50 CASH JACKPOT

Big cash payout last part of the event – stay around to see if you are the lucky winner!! All the prize money collected from selling 50/50 tickets will be split evenly between the lucky ticket winner and "the house". "The house" then donates their 50% to Lake Norman Human as part of the overall donation from the event.

Thank you for your support of the 2018 Downtown Mooresville Wiener Race!
