#### Austin Interpretation Version

After the year 1844 the hour of God's judgment began the call to measure His Testimony (temple) and the sacrifice of Calvary (altar). This same year also brought the rise of evolution through Darwinism causing many to judge God as a fable and embrace false ideas concerning creation. This judgment was preceded with 1260 years of papal control and Biblical darkness which results in the rise of people against the "church" and the Bible.

When God's Word is misunderstood; when God is misrepresented; and when the sacrifice of Jesus is made light of; people begin to remove "God," or create their own gods and their own morality.
