Restoring Success: 4 Strategies to Effectively Embrace Technology

By Lisa Lavender COO Restoration Technical Institute

We must be able to change and adopt new technology for a variety of reasons including efficiency and competitive advantage. We have all watched many companies in other industries disappear for their lack of ability to anticipate, adopt and embrace technology. Technology affects our operations in many ways; however, it also changes the culture in which we live and operate and the expectations of those we serve. For this reason, we must be willing to change and adopt new technology.

Want More Knowledge, Passion & Inspiration?

Now you can follow our BLOG.

[Blog with RTI](#)

We expanded our Inspiration Center with "Food for Thought". Smarties for *When you Need a Good Idea*.

We need your help with the Tootsie Rolls. We know that there is no doubt that the Tootsie Roll has a place on the **Food for Thought** station; but what does it inspire? Let us know what type of inspiration a Tootsie Roll evokes and help us name this brain food.

Why **Food for Thought**? Success comes from hardwork, skill and perseverance but you have to surround yourself with positive thoughts and positive people. You have to think about success; think positive. We believe that training and positivity are key ingredients to help you succeed in your career.

Who does not like a Tootsie Roll? A dash of humor is a good ingredient too...

You can visit us and our **Food for Thought** by registering for a class today:

Tip From The Tute!

Containment Supplies For The Restoration Industry

Be prepared with a well stocked inventory of containment supplies. 2 Ways, 3 Ways, and even 4 ways are available through greenhouse supply houses.

Check out the following link: A great place to purchase your PVC fittings:

It is good to explore outside our industry for the right solution for your restoration and remediation needs.

Happy Thanksgiving

Everyone at RTI wishes you and your family a very happy and safe Thanksgiving.

There is so much amazing food on the dinner table at Thanksgiving so we thought we would share one of our favorite holiday recipes. Enjoy!

Baked Pineapple

Ingredients

1/2 cup white sugar
2 teaspoons all-purpose flour
1 pinch salt
3 eggs, beaten
1 (20 ounce) can crushed pineapple with juice
3 slices white bread, cut into cubes
6 tablespoons butter

Directions

1. Preheat oven to 350 degrees F (175 degrees C). Grease a 1 quart baking dish.
2. In a small bowl, mix together the sugar, flour and salt.
3. Add eggs, pineapple and juice. Mix well.
4. Pour into baking dish, top with bread cubes and dot with butter. Bake for 45 minutes or until top is golden brown.
