

Lean Enterprise

'Lean Enterprise' focuses on creating a company culture of continuous improvement. Employees are energized to extend a concentrated effort on meeting Customer needs by reducing the time, materials, and capital required to achieve results. Bolero Associates guides clients through discovery, development, and deployment of *Lean* practices throughout the business enterprise. Maximum benefit is derived with focus on Customer value and sustained through cultural change culminating in... "*Lean is how we do business!*"

Lean Enterprise—Development

- Determine, explore, enhance processes that add 'Customer Value'.
- Isolate—align 'value' processes in all enterprise segments.
- Remove waste, optimize value.
- Instill—Sustain '*Customer Driven*' culture, actions, rewards.
- Measure—Improve—Refine—*Measure*

The case for Lean Enterprise...

- ◇ Customer's reward enterprise value with increased business.
- ◇ Rapid response to Customer demand for Products & Services.
- ◇ Reduced inventory, increased inventory velocity.
- ◇ Consistent, sustainable Quality improvements!
- ◇ Organization culture that continually contributes to ROI.
