Lenawee County Enters Additional Phases for COVID-19 Vaccinations

ADRIAN, MI – While continuing to vaccinate those in Phase 1A, vaccinations began in Lenawee County this week for those age 65 and older and some essential workers in Phase 1B. Please refer to our website for additional information about who is included in this Phase. (www.lenawee.mi.us) Since the vaccine became available, more than 3,000 doses of the COVID-19 vaccine have been administered in Lenawee County. Thousands more have registered to be notified when vaccinations are available.

Through local and state partnerships, including the Michigan National Guard, the Lenawee County Health Department will be able to vaccinate more individuals starting Monday, January 18, 2021. The best way to ensure you are scheduled for an appointment as soon as it is available is to register on our website.

Register for a vaccine at:
