

“ TEAMWORK MAKES THE DREAM WORK ”

INTRODUCING:

ANNOTATED PICTURES

Don't let your competitors gain the technological edge. Learn how to make annotated pictures. Provide clarity on an issue like never before.

What is Annotated Pictures? Annotated pictures are pictures with added valuable information that clearly indicates the issue in question. As the saying goes, “A picture is worth a thousand words”, so why not use pictures with added comments. This process eliminates confusion and visibly identifies issue. Learn how to add multiple pictures onto one page.

This enables you to communicate information clearly and effectively.
