DOCK FISHING REGISTRATION ONLY

Check here if your child will be fishing from the dock.

You will be emailed confirmation of your child's scheduled dock fishing time. Scheduled times are firm. Times are not flexible. We ask that you are prompt and ready at the time your child is scheduled for. If you arrive late for your time slot, no extended fishing time will be allowed.

Dock space is limited, so there will be pre-sign up for a child to fill 1 single designated (45 minute) time slot. One time slot per child. We are allowing up to 8 children per time slot on the fishing dock, and 1 adult with their child. There are 4 benches on the dock. Up to 2 children will be assigned to a specific bench.

There is a 15 minute buffer between each time slot to allow young anglers to get their pole, tackle, prize fish together and fishing area cleaned up.

Time slot preference for dock fishing is first come/first signed up. Insert child's name. We encourage those that have boats to take their children out in the lake to fish from 7:00am until Noon in their boat.
