"Age is a question of mind over matter. If you don't mind, it doesn't matter."

Q: Where can men over the age of 60 find younger women who are interested in them?
 A: Try a bookstore under fiction.

Q: What can a man do while his wife is going through menopause?
 A: Keep busy. If you're handy with tools, you can finish the basement. When you're done you'll have a place to live.

Q: How can you increase the heart rate of your 60-plus year old husband?
 A: Tell him you're pregnant.

Q: How can you avoid that terrible curse of the elderly wrinkles?
 A: Take off your glasses.

Q: Why should 60-plus year old people use valet parking?
 A: Valets don't forget where they park your car.

Q: Is it common for 60-plus year olds to have problems with short term memory storage?
 A: Storing memory is not a problem, Retrieving it is the problem.

Q: As people age, do they sleep more soundly?
 A: Yes, but usually in the afternoon.

Q: Where should 60-plus year olds look for eye glasses?
 A: On their foreheads.

Q: What is the most common remark made by 60-plus year olds when they enter antique stores?
 A: "Gosh, I remember these!"

So all ye retirees, if you still have your sense of humor... Smile!
