1. Introduction and aims

We believe that clear, open communication between the school and parents/carers has a positive impact on students' learning because it:

- Gives parents/carers the information they need to support their child's education
- Helps the school improve, through feedback and consultation with parents/carers
- Builds trust between home and school, which helps the school better support each child's educational and pastoral needs

The aim of this policy is to promote clear and open communication by:

- Explaining how the school communicates with parents/carers
- Setting clear standards for responding to communication from parents/carers
- Helping parents/carers reach the member of school staff who is best placed to address their specific query or concern so they can get a response as quickly as possible

In the following sections, we will use 'parents' to refer to both parents and carers

2. Roles and responsibilities

2.1 Headteacher

The Headteacher is responsible for:

- Ensuring that communications with parents are effective, timely and appropriate
- Regularly reviewing this policy

2.2 Staff

All staff are responsible for:

- Responding to communication from parents in line with this policy and the school's code of conduct policy.

- Working with other members of staff to make sure parents get timely information (if they cannot address a query or send the information themselves)

Staff **will not** respond to communications outside of school hours 8.30am-3.30pm, or their working hours (if they work part-time), or during school holidays unless there are exceptional circumstances relating to a safeguarding issue for example.

2.3 Parents

Parents are responsible for:

- Ensuring that communication with the school is respectful at all times
- Making every reasonable effort to address communications to the appropriate member of staff in the first instance
- Respond to communications from the school (such as requests for meetings) in a timely manner
- Checking all communications from the school

Any communication that is considered disrespectful, abusive, or threatening will be treated in line with our parent code of conduct. Our parent code of conduct can be found on our website.

3. How we communicate with parents and carers

The sections below explain how we keep parents up-to-date with their child's education and what is happening in school.

Parents should monitor all of the following regularly to make sure they do not miss important communications or announcements that may affect their child.

3.1 Email and School Comms

We use email and the School Comms app to keep parents informed about the following things:

- Upcoming school events
- Scheduled school closures (for example, for staff training days)
- School surveys or consultations
- Class activities or teacher requests

3.2 Text messages

We will text parents about:

- Payments
- Short-notice changes to the school day
- Emergency school closures (for instance, due to bad weather)
- Requests for medication

3.3 School calendar

Our school website includes a full school calendar for the term.

Where possible, we try to give parents at least 2 weeks' notice of any events or special occasions (including non-uniform days, special assemblies or visitors, or requests for students to bring in special items or materials).

Any such event will be included in the school calendar.

3.4 Phone calls

Prospect School encourages staff to call parents regularly to discuss students' performance (both positive and negative).

3.5 Letters

We send the following letters home regularly:

- Letters about trips and visits
- Consent forms

3.6 Reports

Parents receive written reports as follows:

- A report on the results of public examinations
- Information about vocational qualifications gained (or credits gained towards these)

We also arrange regular meetings where parents can speak to their child's teacher(s) about their achievement and progress (see the section below).

3.8 Meetings

We hold 3 futures days per academic year. During these meetings, parents can talk with teachers about their child's achievement and progress, the curriculum or schemes of work, their child's wellbeing, or any other area of concern.

The school may also contact parents to arrange meetings between futures days if there are concerns about a child's achievement, progress, or wellbeing.

Parents will also be invited to annual reviews of their child's EHCP.

3.9 School website

Key information about the school is posted on our website, including:

- School times and term dates
- Important events and announcements
- Curriculum information
- Important policies and procedures
- Important contact information

Parents should check the website before contacting the school.

4. How parents and carers can communicate with the school

Please use the list in appendix 1 to identify the most appropriate person to contact about a query or issue, including the school office number and email address.

4.1 Email

Parents should always email the school, or the appropriate member of staff, about non-urgent issues in the first instance.

We aim to acknowledge all emails within 2 working days, and to respond in full (or arrange a meeting or phone call if appropriate) within 3 working days.

If a query or concern is urgent, and you need a response sooner than this, please call the school.

4.2 Phone calls

If you need to speak to a specific member of staff about a **non-urgent** matter, please email the school office and the relevant member of staff will contact you within 2 working days.

If this is not possible (due to teaching or other commitments), someone will get in touch with you to schedule a phone call at a convenient time. We aim to make sure you have spoken to the appropriate member of staff within 2 days of your request.

If your issue is urgent, please call the school office.

Urgent issues might include things like:

- Family emergencies
- Safeguarding or welfare issues

For more general enquiries, please call the school office.

4.3 Meetings

If you would like to schedule a meeting with a member of staff, please email the appropriate address (see appendix 1), or call the school to book an appointment.

We try to schedule all meetings within 5 working days of the request.

If you need to speak to staff urgently, we recommend you book appointments to discuss:

- Any concerns you may have about your child's learning
- Updates related to pastoral support, your child's home environment, or their wellbeing

5. Inclusion

It is important to us that everyone in our community can communicate easily with the school.

We currently make whole-school announcements and communications (such as email alerts and newsletters) available in the following languages:

- English

Parents who need help communicating with the school can request the following support:

- School announcements and communications translated into additional languages
- Interpreters for meetings or phone calls

We can make additional arrangements if necessary. Please contact the school office to discuss these.

6. Monitoring and review

The Headteacher monitors the implementation of this policy and will review the policy every 2 years. The policy will be approved by the governing board.

7. Links with other policies

The policy should be read alongside our policies on:

- Parent code of conduct
- Staff code of conduct
- Complaints
