

Barnstable High School Baseball is asking you to be part of our future. Please consider an investment in a growing program that has a proven baseball record and a promising future with a new coaching staff and plans for an artificial turf multi-purpose baseball field.

We currently have over 65 student-athletes playing baseball on four teams: two freshman, JV, and Varsity. We are anticipating a great season and could use your assistance to reach our goals.

With current district budget constraints, our schools must rely more than ever on community support. The money received from your gift will be used toward baseball program improvements not funded by the school. Currently, the school is only to provide us with baseball caps, some game jerseys for Freshman and JV, and baseballs. This year we are looking to improve our uniforms, purchase new screens and netting, and provide bats and batting helmets. **This will all depend on your donation.** We would like to thank you in advance for your generous donation and for helping make a difference in the lives of our student-athletes.

Any donation amount is appreciated.

Game Roster Sponsor: includes your logo on roster that is distributed at the field, posted on barnstablebaseball.net, and shared on our social media sites.

\$100 for Away Game

\$200 for Home Game

Team Support: includes your logo on Barnstablebaseball.net and your logo on the weekly email blast and a team hat.

\$500 for the season

Stay tuned for the kickoff of our Field Fundraising Campaign.

Sincerely,

Ryan Kinski
