AMAZON BEAUTY

TESTING HIS NEW KNEE!

FRESHLY OUT OF THE AMAZON

Where DC3s and canoes don't go, we've gone by foot during these past few months, conquering the upper reaches of a river we last visited in 2016. We praise God for making JESUS' name known in parts of the jungle He's hardly been heard of before. Read on for more.

ON THEIR KNEES – Miracle touches village

God healed this young man's fractured knee, instantly opening the door for ministry to his friends, a group of hard-living miners. They knew he couldn't properly walk, let alone hunt to provide for his family since he broke his knee. So, when he told them God had healed him and his knee was perfect with zero pain, they wanted to know more and came for prayer the following evening. Each one prayed a prayer of dedication to JESUS and several were healed of bad knees, backs, headaches and other issues. Some felt a wind blowing over them (inside a windowless hut). Other felt heat moving on their bodies; others experienced ice-cold and yet others a tangible, peaceful presence. All were touched by their Maker, who's been waiting to reach them for so long. In another village God healed a deaf man, amongst many others. What a privilege to be His hands and feet!

MISSIONS – Getting started

How do we go to work in the jungle? Once we arrive in a new village for the first time, we get to know the locals and wait for opportunities to show God's love. Most recently, we started out in a small jungle village. We didn't know anyone but soon befriended the owner of an inn. We prayed for her rheumatism, as well as another lady's arm and JESUS healed them both! Word spread that God was doing miracles, so people came in droves, many of whom received JESUS and were healed. From this came invitations to more remote villages. God opened all the doors; we just had to walk through them.

CHURCH PLANTING

Planting a church happens naturally when one realises that *we are the church* where two or more are gathered in JESUS' name. This revelation is huge for people who live in remote places, knowing that they can honour JESUS in their own homes and grow without a special church building or formal services. We visit as often as we can to encourage such believers.

LISTENING TO THE BIBLE

SPREADING THE WORD

In addition to printed Bibles, we're continuing to take MegaVoice audio Bibles and the JESUS film into the jungle. These are great for people who can't read and well suited to the culture of learning by hearing. Please let us know if you'd like to contribute directly to this crucial ministry. Each MegaVoice unit costs around R500.

BAPTISM OF NEW BELIEVERS

OPENING CLOSED DOORS

Taking JESUS to the ends of the earth means knocking on some firmly shut doors until God opens them. There are parts of the jungle where people are not allowed to go since it is specifically prohibited to make contact with unreached tribes. A lot of prayer is needed to see this change. For now, we can pray that God reaches these people through dreams and visions. And that the tribes themselves initiate contact with the outside world. Please pray with us!

SHARING IN OTHER PLACES

We will also travel in the USA and RSA for a while sharing on the mission work, challenging others to seek God for callings and responding to go themselves, accumulating resources, doing some administration. More will follow in our forthcoming newsletters.

BEST DECISION EVER

It's been 3 years since I (Heidi) left my old life to work full-time for JESUS, joining my husband Arnold, and I don't regret a single moment since I gave up my dog, my job and got rid of most of my earthly possessions.

Fear stopped me doing it sooner but I have discovered that JESUS never fails. What a privilege it is to work for the King of Kings!
