 "QUALITY FIRST...ALWAYS"

PLAN A – Standard Residential Service Agreement includes Start-up, Backflow Inspection and Winterization by a **non-commissioned certified technician.**

Spring Start-up (\$110 fee)	Pressurize system & check for leaks; program timer for spring; cycle through each zone to check head rotation
Backflow Test (\$110 fee)	Test backflow by a Mo & Stl licensed technician ; forward test results and fee to local water company or government authority
Winterization (\$99 fee)	Turn off water supply and timer; drain backflow device; blow all lines free of water with air compressor
Repairs	With customer's approval, repairs will be done on a time & material basis. Payment is due upon completion.

The cost for these three services during normal working hours is \$319.00. Your prepaid discounted cost will be **\$289.00** for 12 zone systems or smaller, if paid by February 28, 2016. By April 30, 2016, the cost will be **\$299.00**. **This offer is only available thru April 30, 2016.** For systems larger than 12 zones, add \$10 extra per zone.

PLAN B – Extended Residential Service Agreement includes all of the above plus **prescheduled** system inspections in the last 2 weeks of June, July, and August, or customized to fit your needs. Inspections include monthly **timer adjustments**, checking for leaks, coverage & over-all yard appearance. We must have access to the timer. With a **10% discount**, all repairs will be done on a time & material basis (with customer's approval). Payment is due upon completion.

If you have any questions, please call John or Sharon at (314)209-1111.

****This Service Agreement is transferable, not refundable.****
