Limited Liability Company Name

There may not be a period after "LLC" nor may there be any spaces after the periods in "L.L.C.".

The name may not be the same as, or deceptively similar to, any other business name, trade name, trademark, or service mark registered with the North Dakota Secretary of State.

Final determination for availability is made when a document is actually filed. Therefore, a business is advised to avoid investment or commitments in a business name until after a name registration is confirmed with the Secretary of State.

The name may not include such words as "bank", "banker", "banking", "trust", or "trust company", or any other similar words unless these articles are supported by a written approval for the use from the [North Dakota Department of Financial Institutions](#).

Registered Agent

A **commercial registered agent** must be registered as a commercial registered agent with the North Dakota Secretary of State. The appointed agent can verify the agent's status as a commercial registered agent from its acknowledged filing and from the list of commercial registered agents maintained on the Secretary of State's website at sos.nd.gov.

A **noncommercial registered agent** may be one of the following:

- An individual residing in North Dakota (including a member or an officer of this company),
- A domestic or foreign corporation, or
- A domestic or foreign LLC (although this company cannot serve as its own registered agent).

Seek the approval of the party before naming as the commercial or noncommercial registered agent. Proof of the approval is not required to be filed with the Secretary of State. Failure to seek consent from the party named as agent may result in involuntary termination of this company.

Formation Date

If a specific effective date is requested, but that date is earlier than when the Articles are reviewed and filed with the Secretary of State, the effective date will be the date the Articles are filed.[Existence](#)
