I would like a volunteer t-shirt      Shirt Size: \_\_\_\_\_

Color Us United 2K is a Fun Run at Tuscarawas County Fairgrounds raising awareness and funds for the support of issues in our community. United Way focuses on strengthening families and children, health and wellness, and emergency needs in Tuscarawas County!

It's not a timed race, but it is a Fun Race! Walkers, runners, and strollers are all welcome! Color Us United promotes a healthy lifestyle by urging us all to **GET OUT, GET ACTIVE AND LIVE UNITED.**

There will be color stations strategically placed throughout the route where our volunteers will be splashing each participant with color! (*Don't worry, it's just colored cornstarch*). Each station is a different color! Wear white.....it's kind of a dress code requirement! Don't have a white shirt? That's okay, we'll give you a custom race shirt! **BEGIN WITH A WHITE SHIRT, END WITH A MASTERPIECE!**

**Come out and support United Way of Tuscarawas County and let's show the world that when we come together, when we are healthy, when we LIVE UNITED, the world is just a better (and more colorful) place to be!**
