Please let Joanne Seiler know at least **2 months** before your scheduled month that **YOU WILL BE HOSTING** the meeting and give the date/time/etc.

President's Message

Ok, what a great May (a little rainy but that's OK) we had. A few of us went to the Downing's home for a Cinco de Mayo Party. Bill is a very good cook and Martha did a fine job as Hostess. Thanks to you both, we all had a great time.

Our spring cruise to Lake Hopatcong for a 2 hour brunch cruise was a lot of fun, Food was good and the trip to Rita's for ice cream topped it off as a wonderful day. Good work Joanne.

As you may have learned we are progressing with the Convention. We have several Chair people signed up. they will be looking for help in many ways, some prior to the convention, some just during it, some maybe an hour others will require more time. Whatever you can do will be appreciated.

I also celebrated my birthday as did some other members and all the mothers had their day too.

The new web site is up and running, with just a few updates to be done. There is a new password to the members area, please contact Joanne or me if you didn't get it. I just posted the Lake Hopatcong pictures on the site as well as on the clubs Facebook page. I will take it off Face book next week so you will have to go to the picture page on the web site to see it then.

One more note, I am proud to announce that my Granddaughter Lia Howhannesian, will be on the Food Network's Chopped Jr. show on Tuesday June 14 at 8pm, and repeats Wed. 6/15 at 3AM and Sat 6/18 at 4pm and Sun. 6/19 at 5pm. I don't know the outcome, so it will be a surprise to me, but I think she did good.

Looking forward to our Philly trip next

Thank You, Pat LeStrange

A few Words From Alec

Well it looks like summer is just around the corner what with all the flyers coming in the mail for all the shows and other events coming up.

It will be good to get back on the car show circuit and seeing everyone at those events. Time to check out our Birds and get them in shape.

Everybody loves seeing our TBirds at the various events.

Happy motoring, Alec

May Meeting

This meeting was hosted by Vince Ucci and Julia. It was a gray day to start so there were only three Birds that flew in. The food was good and the meeting was well attended. Thanks to Julia and Vince

Highlights of the Business Meeting

The minutes of the last business meeting were read and accepted. There was no Treasurers Report.

Joanne said she still has raffle tickets for the quilt being raffled off at San Diego.

Joanne reported on the dance. It was successful in all respects. She also reported that the reformatted club web site required by the host has been completed although it remains much the same as before.

Joe Kubat mentioned that the Barrett- Jackson trip has been canceled.

A big discussion as held on the proposed CTCI Convention for 2017 that we are looking into to host. Venues, committees and other issues were discussed. Some committee chairs are in place. For a full report on the discussion, go to the members section of the web page and look at the minutes.

Next meeting is the Tune Up Clinic/June meeting on June 26

Tech Support?

Customer: I have a huge problem. A friend of mine has placed a screen saver on my computer, but every time I move the mouse, it disappears

San Diego Convention

The hotel is now full, but there is a overflow hotel. The date is Sept. 13-18. See ctci.org for forms and contact information

Vice President's Message

Happy Memorial Day. Please remember all our vets, past and present. My dad was a WWII vet and took Memorial Day very seriously. He was a very proud that he served his Country. We are thankful everyday for our past and present men and women who served our Country. Have a safe holiday.

Sending our best wishes to Bob Belli, hope he is feeling better everyday.

Don Dubres is doing ok, working hard to get his house rebuilt after the fire.

Thank you Julia and Vince Ucci for hosting our last meeting. The meeting was very successful. It is now definite that we are going to host a 2017 CTCI Regional Convention. The hotel is the Hanover Marriott, beautiful hotel. We did get members to volunteer for many of our committee chairpersons. If we all stick together and help out as much as possible, I believe we will, once again, have a successful and fun convention.

As of May 1st cruise nights have started, although a lot of the nights so far have been rained out, but that will change soon, so get your Thunderbirds out on the open road.

On June 26th is our tune-up clinic hosted by Rich and Lois Martin. The time is 8:30. Everyone is welcome. At 1:00 is our regular monthly meeting hosted by Aileen and Bruce Corbett. The meeting will be held at Rich and Lois's house. Lois requested that you bring your own chairs. Sooo, please let the Martins and Corbetts know if you are coming.

On Sunday August 14th is our Club picnic. Bill and Martha Downing are already working on the picnic to make sure this picnic is more successful than last years. Try to come, because there is plenty of good food, desserts, activities and friends . It is a fun event.

Remember to get your reservations in if you are going to San Diego for CTCI International convention. Convention starts September 14th 2016 to September 18th, 2016. There already is quite a few of us going. They say San Diego is beautiful, so if you have not been there yet, now is the time!!!

Happy Fathers Day to all you men out there. Have a great day doing whatever you like doing.

See you soon, Arlene

Spring Cruise

It was a dark and gloomy...wait a minute - it started out as a nice sunny spring day but turned into an overcast, chilly day. Nevertheless, members turned out and we had 25 + people attending. A little different cruise this time, both a boat cruise and a car cruise. We nearly filled up the boat.

Seven brought their TBirds. The boat cruise included a nice two hour tour of Lake Hopatcong. The weather turned kind of raw so it wasn't ideal to go outside, but some did brave the elements. The

boat provided a nice brunch and every one had their fill. The boat rode nice and smooth despite the choppy waters . The tour of the lake was nice, with some really nice homes dotting the shore and we saw some rather unusual sights, including the Statue of Liberty. An treat was seeing a bald eagle nest with mama or poppa sitting on the nest Then we took a short car cruise to a local ice cream parlor where every one had their favorite ice cream treat. Thanks to Joanne who set everything up.

TRIVIA

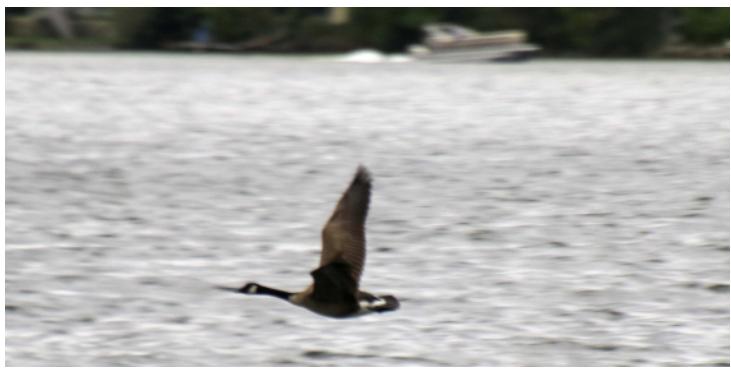

What is the fuel consumption for the cruise liner, Queen Elizabeth II? Don't have any prizes, you get kudos.

Henry came up with a response but it was not the one I was looking for so I'll run it again.

72nd Anniversary

Thanks to Linda and Joanne for the pictures.
