

# MUSEUM OF POLITICAL CORRUPTION

The Museum of Political Corruption is a nonprofit, nonpartisan organization dedicated to educating and empowering the public

## Knowledge is Power

We bring unbiased, trustworthy information and insights to the public.

We value robust conversations and diversity of opinions.

We provide a thought-provoking experience that unpacks the complexities of corruption and empowers people of all ages and backgrounds to act for a better society.

We are a collective of citizens committed to making those in power honest, positive and accountable.
