Your password used for the Regatta registration is not recognized in this event.

EACH \$40 VALET PURCHASE IS GOOD FOR EITHER:
INFLATING AND STORING 2 SMALL TUBES (ONE OR TWO PERSON TUBE) OR
INFLATING AND STORING 1 LARGE TUBE (THREE OR MORE PERSON TUBE/FLOAT)

(No cost self tube inflation and storage is available this year as in previous years.)

Here is how the valet service works.

1) Pick up YOUR valet voucher at online registration when you pick up your wristband and t-shirt. **Be sure to bring a printed copy of your email confirmation with the barcode displayed for the valet service purchase.** To clarify, you will need **BOTH** the printed copy of the email confirmation for the valet service and the printed copy of the email confirmation for your wristband purchase when you check-in. (If you purchased a "hotel package" including a wristband from a casino, you will need to pick up your wristband and t-shirt from the casino and the valet voucher from the City's online check-in.)

2) Drop YOUR tube or float off at Community Park Friday, **August 8, 2014 8:00 am - 10:00 pm.**

(Look for the Murphy Broadcasting Truck!!)

3) **Kiwanis attendants will not accept your email confirmation. You must pick up your valet voucher at online check-in when you pick up your wristband and t-shirt.**

4) Kiwanis will blow up YOUR tube or float and store it overnight.

5) You choose where you want to pick up YOUR tube or float on Saturday morning - Community Park or Davis Camp. **Pickup times are Saturday, August 9, 2014 between 7:00 am - 12:30 pm.**

6) You will receive a valet ticket when you drop off YOUR tube or float at the Chamber of Commerce building.

7) Saturday morning, present your valet ticket to the Kiwanis attendant. YOUR inflated tube or float will be ready for you at either Community Park or Davis Camp.
