Schedules and Important Dates

December 7 (SDaturday) 9:00PM - DEADLINE for TrackCentral electronic team roster submission. NO ATHLETES ENTERED AFTER 12/7 WILL BE ALLOWED TO COMPETE IN THE FIRST MEET! NO EXCEPTIONS!! NO mailed, hand delivered, e-mailed, faxed or phoned-in rosters will be accepted. If unfamiliar with the use of your school's PVIAC subscription to TrackCentral please contact Matt Sandberg at Matt@TrackCentral.net.

At this time coaches must submit the following information ONLY:

1. ***Correctly spelled ATHLETE'S First & Last NAME using the standard English language convention of an UPPER CASE LETTER at the start of the name and lower case letters for the remainder of the name. Please do not submit names in all upper case or all lower case.***
2. ***GRADE IN SCHOOL -- Names submitted without grade in school***

will not be entered in the data base and will not be considered a part of your roster! Double check your roster entry before sending it.

DO NOT enter events or seed performances AT THIS TIME!

Please do not submit your roster early and then make multiple additions or corrections. Please wait until you are very sure that it is relatively stable and unlikely to change much before the first meet.

REPEATED FOR EMPHASIS

1. Your roster submission **MUST** include each athlete's correctly spelled FIRST name in the space for FIRST name, and the athlete's correctly spelled LAST name in the space for LAST name. Please use an upper case first letter and lower case after that. Please do not use all upper case letters or all lower case letters or any combination other than the standard English language convention for names. Please take the time and make the effort to do this correctly - we do not have the time to correct careless mistakes!
2. **Your roster submission MUST include each athlete's grade in school. Do not forget this piece of information or your athlete(s) will not be entered in the database.**
3. Submit your entry no later than 9:00PM, Friday, December 8 or you will have no one participating in the first meet!

4. REMEMBER: entering your roster or weekly entries in your computer is not enough! You must **EXPORT your roster in order for me to have it in my computer.**
