

COVID-19 PRECAUTIONS FORM

Welcome! We are so happy that you have chosen our Horse Camp for your child. We want to assure you that we are taking their safety as well as the safety and well being of our staff and other campers seriously during this pandemic. To that, we are implementing the following precautions.

1. Only a parent/guardian dropping off or picking up a camper will be allowed on the premises. We are asking that you don't bring other children or friends with you at this time.
2. We are asking that all campers and parent/guardians wear masks. Masks may be removed while the camper is riding.
3. All campers and parent/guardians will enter through the front gate and proceed straight down the outside pathway next to the outside arena toward the back of the barn. Make a right at the back of the barn and proceed to the back cross tie area. We will be set up there. Please remain on the outside of the barn area. All indoor areas are for STAFF ONLY. The Office and Recreation Room are off limits at this time.
4. Restroom facilities will be provided and cleaned regularly. Hand sanitizer available.
5. Please bring a refillable drinking bottle and a snack that will NOT require re Fridgeration.
6. Any parent/guardian wishing to stay will need to stay in the stands by the outdoor arena.
7. When exiting the facility, please go back the same way you came in.

By signing below you are agreeing that you have read and understand all COVID-19 precautions and risk involved in your child participating in Summer Camp here at STTS.
