COMMANDER'S COMMENTS

Compatriots,

I would like to thank everyone, who worked so hard to make this year's Fall Muster a total success on all fronts. This year the camp booth raised more money than any other year since Katrina, all of you who helped there should be proud. Our recruiting booth had a lot of interest around it, and we left the weekend with 8 good prospects for membership. The guys who worked on the reenactment side of things and all those workdays...you did the camp proud!

Next, we have the Scottish/ Highland Games and we will be manning a recruiting tent on both Saturday and Sunday. We have been granted a limited number of passes for the event, so if you are interested in helping, please sign up at our next meeting.

The deadline for paying dues has passed, and there are a handful of you who have not yet paid, please know that there will now be a delinquent charge added.

I hope to see you at our next Meeting. We have a lot to talk about.

Sam Davis 596 Heritage T-Shirts Update

We bought 40 extra shirts and an additional 15 were donated by the printer which gave us 55 total to sell.

The shirts have been moving at a good pace, and we only have a couple dozen more to sell. So if you haven't got one yet you better hurry. Those of you who have seen them know they are great shirts. We will have them along with the new stickers at the next meeting.

If you have not yet received your pre-ordered shirt please contact KenOverstreet at scvadjutant@patriotnewsalert.com

Compatriots,

I have decided to offer myself as a candidate for Comander-in-Chief at our next convention.

I am writing to you, asking for your prayers and your support. Can I count on you to support me in this effort?

To learn more about me and where I stand, please visit my web site <http://givens-scv.com>

Over the coming months I will be adding information and posting some of my ideas for where the SCV should be heading for the next few years. I hope you are as excited about our future as I am.

Also, if you have any ideas or comments please feel free to share them with me as well.

Thank you and may God bless our cause and our efforts.

Respectfully yours,

Michael Givens

It's Time To Wake up!

The recent stance taken by the Chancellor of Ole Miss on the "South will Rise Again" Chant is nothing new. It just illustrates the constant chipping away of our Heritage that we have all seen through the years. The systematic changing of street signs, mascots, names of public buildings, schools and parks has been done from the position of political correctness, by people and governmental authorities, who believe our Heritage is not acceptable.As if they know what acceptable is in the first place. This are the same people who continue to attack and try to eradicate our Heritage. All while they turn a blind eye, as our society loses its morality. In these days it seems that our children are raised by the school systems, pop culture and television. We must take a stand! We must step up! We must fortify our children view of their ancestors' deeds.

Our children are our future!

Take a look at what we are up against;

Students lose Confederate-flag purse case in 5th Circuit

Texas public high school officials did not violate the First Amendment by prohibiting two female students from carrying purses featuring images of the Confederate flag to school, a federal appeals court panel has ruled. 10.16.09

8th Circuit sides with Mo. school in dispute over Confederate flag

Judges cite racial incidents in agreeing that Farmington High officials can prohibit rebel symbols. 02.02.09

Federal judge sides with S.C. district in Confederate-flag case

Attorney for former student challenging ban says dispute 'would be a good case to take to the Supreme Court.' 09.17.09

High court turns away students' challenge of Confederate-flag ban

Teens at Maryville, Tenn., high school were threatened with suspension if they wore T-shirts featuring Rebel emblem. 10.08.09

We all know we live in treacherous times, but remember, so did our ancestors. They were pushed until they forced to make a stand.

And Heaven forbid, if in the future I am forced to; I will proudly "take my Stand to Live and Die in DIXIE!"

– Troy Savoie, father of two young children and proud descendant of Confederate ancestors!

Just for old times sake! The Battle flag on the field at Ole Miss! Back when it was still OK to do so!

Notable Quotes

"If [the Declaration of Independence] justifies the secession from the British empire of 3,000,000 of colonists in 1776, we do not see why it would not justify the secession of 5,000,000 of Southrons from the Federal Union in 1861.
