

PENNYPICKLE'S WORKSHOP

Temecula Children's Museum

Visit Pennypickles.org for Event & Museum Schedules!

Pennypickle's Workshop is the home of Professor Phineas T. Pennypickle, Ph.D., scientist, time traveler and inventor of wacky and wonderful contraptions that amaze, delight, and educate children and adults alike. Every surface is occupied by pulleys, gears, cables, blueprints and stuff. There are secret passageways and puzzles, machines and gizmos. Professor Pennypickle and his faithful little mouse friend, Beaker, have lots of fun activities planned for you every month (and sometimes they are a surprise... there are WAY too many exciting happenings to list here!). Be sure to call the Professor's hotline at (951) 308-6376, or check his website at pennypickles.org for detailed information or to purchase advance tickets. Children must be accompanied by an adult.

Amazing Events at the Workshop!

BEAKER'S LITTLE BIRTHDAY

Sunday, August 6, All Sessions

The Professor has a huge birthday bash, but Beaker is more comfortable with a miniature birthday party...and that means LITTLE. Join us for some teeny tiny fun and surprises as we wish Beaker a happy birthday!

MAGICAL FUN HOUSE PARTY

Friday, October 27, 5:30-9pm

Fee: \$18/person; under 18 months free
 Enjoy a non-scary evening of exceptional fun for the entire family as Pennypickle's Workshop transforms into a Magical Fun House full of adventures, experiments, treats, and surprises for all ages... just in time for this spooky season. Pennypickle's Magical Fun House will be like NOTHING you can experience anywhere else!!! An amazing atmosphere, intriguing scavenger hunts, magical science demos, snacks, a peek at a Haunted Mansion, and MORE! Unparalleled entertainment for the

whole family - don't miss it!!! Call 951-308-6376 while tickets are still available. We encourage you to wear costumes!

Discover
 Science through
 Play!

SANTA'S ARRIVAL

Friday, November 24, 6-9pm

The excitement builds as we wait for Santa's arrival at 6 pm! The Professor lets his old friend borrow his comfy, cozy cottage just so you can visit him in an old-fashioned, noncommercial setting. Pennypickle's Workshop will be open from 10 am to 9 pm on this special day, and Santa will entertain visitors from 6 until 9 pm. After his special entrance on Friday, November 24, Santa will be in his cottage on weekends from Saturday, November 25 to Saturday, December 23.

Hours to visit Santa are:
 Saturdays, 10am-1pm; Sundays, 1-4pm

PENNYPICKLE'S ENGINE WORKSHOP

The Professor has finally consented to make his fascinating engine collection available for viewing! Engines have been a passion of his since childhood and he knows that you will enjoy them as much as he does (dads and grandfathers may even remember being enthralled by them during their own younger days!). Be sure to see the Stirling engine that runs from the heat of a coffee cup...Pennypickle's ENGINE Workshop merchandise is available in the gift shop.

SCOUTING GROUP FIELD TRIPS

Your scout (Boys or Girls) or home school group can join us to help fulfill their badge or curriculum requirements while having a great time at the Workshop! Science Labs will be held from 3:15-4:30 pm on a date of your choosing (based on availability)... groups can stay to play until closing time at 5 pm. Each group is required to have 6 or more members; you may be placed with another group in a Lab if there are less than a total of 20 children in a class and there are multiple requests for that day. The charge is \$12.50 per child; scout leaders, parents and extra siblings (who may not stay in the Lab but can play in the Workshop with their adult) will be charged at current admission price. YOU MUST PRE-REGISTER by calling 951-308-6376. The following subjects are available at this time (CHOOSE ONE PER RESERVATION):

Explore Space Science
Nano Science Lab
Let's Do Chemistry

KIDS ONLY CLUB

Ages: 5-11ish

Fee: \$25/child for each event (includes all materials)

Kids Only Club are drop off events for children only, where we do lots of fun science stuff and YOU get to have a couple of hours to yourself! Early pre-registration is suggested as space is limited; call (951) 308-6376 for more information and tickets.

A Summer in Space!!!

Every Wednesday in June will take us to the Moon (or farther!) and back! Be sure to join us for exciting adventures – SIGN UP FOR ALL FOUR KOC SUMMER IN SPACE EVENTS AND RECEIVE A JUNIOR RANGER NIGHT EXPLORER ACTIVITY BOOK AND PATCH!!

Astronaut Academy

Wednesday, June 7, 3-4:30pm

Enroll in the Professor's Astronaut Academy to discover skills used by real astronauts, like how they fly spacecraft, walk in space, what they eat, and carry out space experiments, so prepare for a super fun time as you earn your Junior Space Cadet certificate!

Moon Adventures and...Uh...Challenges

Wednesday, June 14, 3-4:30pm

We'll have lots of moon-related experimentations and you may even learn things you didn't know... like the number of humans who have walked on the moon (12), and the number of humans who have visited the moon (24). We're not counting any nonhumans who may have visited. (Moon quakes? Yikes! But no worries as our Junior Space Cadets handle the situation and have a great time while they're doing it!)

Mission to Mars

Wednesday, June 21, 3-4:30pm

The red planet is seriously super cool - and by cool, we mean like -81 degrees F! We'll manage to avoid any impact craters (although we'll experiment with them), figure out what we weigh there so we don't go floating off into space, and explore the whole sciency thing we'd have to do to actually live there!

Boldly Go...Exploring Star Trek Planetary Science

Wednesday, June 28, 3-4:30pm

Space... the final frontier. We won't be traveling in a spaceship, but we'll observe planets and the big beyond as we explore the skies and the solar system. Wear your uniform, have your phasers set to "stun" and prepare to have lots of "fun" figuring out stuff that Spock, Kirk, Scotty and the rest of the crew get to experience in their journey throughout the universe.

Rocks, Minerals, and Fossils, Oh My!

Wednesday, September 20, 3-4:30pm

Summer's over and it's back to Earth we go! Are you manic for minerals? Do you dream of gemstones? Is your rock collection threatening to take over your bedroom? Then you'll love joining us on your way to becoming a Petrologist, Mineralogist, or Paleontologist!

Have your Party at the Professor's House!

With the Professor's and Beaker's help, you are bound to have an unforgettably fun celebration! Discover our new THEMED parties! Call (951) 308-6376 for more information and to reserve your party today!

Hogwarts Potion Party

We encourage guests to dress in Hogwarts attire!

Fairy Science Party

A magical experience!

Dino Discovery Party

Travel back to prehistoric dinosaur days!

Space Discovery Party

Out of this world, of course!

BE SURE TO VISIT PENNYPICKLES.ORG

You can see what we're planning (Events), what surprises we have for you (News), and how crazy we will be with field trips and such (Busy-ness Schedule). We'd also love it if you follow us on social media! Find us on Facebook under Pennypickle's Workshop, Twitter @profpennypickle or Instagram @pennypicklesworkshop.
