She discussed her qualifications and was open to answering questions.

Ed made a motion to approve the Minutes of July 30, 2018 as amended. Second by John. All in favor.

Ed read the notice from K.A. Stevens to Center Road residents stating that the tree cutting is going to take place on Tuesday, August 14, 2018. Road closures are expected. Phone numbers were provided to answer any questions. These notices will be mailed to Center Road residents, it is posted on the Unity website and it is also on social media.

Rocco Ruggeri asked if the contractors had a plan in place to communicate to the residents. He didn’t want to be stuck and not be able to get home after work or to have emergency vehicles not be able to get through if necessary. The Board clarified and said that the road will be done in sections and will be closed to through traffic. But it would clearly need to be closed while working with power lines and any large trees but work should move quickly. The Board will do what is possible to keep communication open and up to date with residents and workers.
