

Atlanta Michigan Chamber of Commerce

2016

Member Directory

**Your Community Source for
Businesses, Services & Organizations**

We are proud to present this contact information, along with visitor assistance for contacting governmental agencies in the greater Atlanta area. This directory was designed to provide our community, and our guests, with a guide to businesses, organizations and government agencies. The most frequently asked question a Chamber of Commerce hears is, Why should I join, and how will it benefit my business? Simply put, every dollar of your membership is filtered back into supporting our local economy....and that includes you.

Your financial contribution aids the Chamber in attracting people to our area, and your membership dues help provide the necessary tools which promote our community; such as printing brochures and area directories, web-site maintenance, Elk Festival, Buck Pole, Elk Pole and host of Chamber activities both traditional and new. Your investment as a Chamber member is an investment for your business and the community as a whole, it is the driving force that moves Atlanta forward.

We Hope you find this directory useful, and we thank you for your patronage to these fine businesses in Atlanta.
