

Photo Shoot Information

When: Saturday May 22nd 11:00 – 9:00

Where: DPDC

- The lobby & lounge are still closed, so dancers will be dropped off at the front door at the beginning of their photo time and picked up in the back alley at their pick-up time.
- Masks will be worn for all group photos but can will be taken off for individual photos. If you do not want your dancer to remove their mask, please send a note in with them.
- All Dancers will get a photo taken with each of their classes that will be displayed in the studio the following year.
- Individual pictures will only be taken for those who have ordered them.
- A photo order form is available on our website under the Showcase tab.
- All photos need to be ordered before the photo shoot. They will not be available online to order afterward.
- If you wish to have individual photos taken of your dancer in more than one costume, a separate order form must accompany each costume.
- Dancers should arrive hair & makeup ready and in their first costume.
- Princess, Preschool & Mini dancers will exit out of the back door of 766 immediately following their individual and should change in their car and re-enter at their next photo time.
- Petite level dancers and higher can change in the dressing room into their next costume. If they need parental help, they should exit the building and change in the car.
- Additional costumes should be sent on one single hanger with a large plastic zip lock bag with all accessories needed.
- Please make sure that every piece of your dancers costume is labeled.
- We will have plenty of assistants to make sure you dancer looks great before their photo, so we ask that the parents please not go into the photo area, as this can be a huge distraction and make the photo schedule take longer. We appreciate your cooperation in this matter.
