DESCRIPTION: The Red Wing Hunter was Bob Lee's often copied speed bow. This is an earlier original Wing RWH (prior to the Head and AMF years). Were it not for the 2 filled sight screw holes on the face, this bow would be in near mint condition. Great looking and performing recurve. Factory installed quiver bushings; comfortable grip. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No chips, dings or cracks. No crazing or stress cracks. Decal is in excellent condition. 2 professionally filled screw holes on the face of the bow (see last pic).

COMES WITH A NEW STRING
