*"All the ladies could talk about was how you 'drew them in' and made them feel as if they were really there. .... An outstanding performance."*

## Think History's Boring?

### Think again!

Imagine having a conversation with a celebrated First Lady, a survivor of the Titanic disaster, or the most famous female pilot in history.

I give voice to women from the past with fascinating stories to tell. As entertaining as they are informational, these programs bring history alive in a fun, inspiring, and educational way.
