BUDGET MESSAGE

To the Citizens of the Town of Sorrento,

Enclosed is the 2024 operating budget for the Town of Sorrento. The purpose of the budget message is to identify objectives for the coming year, as well as the underlying assumptions made in the projection of the revenues and related expenditures of the operations of the Town.

The budget is prepared using the modified accrual basis of accounting and is presented on a "line item" basis with each item of revenue and expenditure being identified for your review. The budget has been prepared to maintain all funds with positive balances as of June 30, 2024, the definition of a balanced budget.

The summary on pages 4 and 5 shows that expenditures and financing uses for all funds of \$2,423,600 will be funded with budgeted revenues and other financing sources of \$2,210,400. The projected deficit of \$13,200 includes road and drainage system maintenance totaling \$80,000, capital outlay expenditures of \$806,000 and depreciation expense recognized on the Town's sewer system of \$72,500. The projected deficit will be funded using accumulated fund balances of prior years.

Overview and Capital Project Highlights

Revenues

Local revenues from sales and use taxes represent about 44% of the total projected 2023 revenues. Projected sales tax revenues are budgeted to decrease by 2% when compared to projected 2022 sales tax revenues. Interfund transfers in 2024 include \$25,800 from the Restricted Fund and Utilities Fund to the General Fund to assist with personnel costs.

Expenditures

Total expenditures are budgeted to increase by approximately \$680,150. Of this amount, approximately \$600,000 is related to an increase in capital outlay expenses related to road projects, purchase of a boom mower and the cost of replacement of the Town Hall roof. Additionally, an increase in the policing contract which Ascension Parish Sheriff's Office is anticipated to increase in the amount of \$20,000. General governmental expenditures are expected to increase \$27,400 for the year ending June 30, 2024, which is related to an increase in personnel costs.

Conclusion

Council members Chad Domingue (Mayor Pro-Tem), Randy Anny, Wanda Bourgeois, Darnell Gilbert, Duane Humphrey join me in the goal of improving the quality of life for Sorrento's residents while preserving the heritage that makes our Town unique. All of us, along with the Town's employees, are here to serve you. We value your input and ideas to make Sorrento a better place both now and in the future for our children and grandchildren.

Sincerely,

Christopher Guidry

Christopher Guidry,
Mayor
